

Wilmington Yearly Meeting Membership Statistics Questionnaire:

For the Calendar Year: _____

MEETING: _____

STATISTICIAN: _____

ANALYSIS OF MEMBERSHIP: this records the total number of Friends who are on the rolls as members of your monthly meeting regardless of whether or not they participate regularly in worship and other monthly meeting activities.

Adult Members: _____

***Junior Members:** _____

Total membership: _____

**NOTE: "Junior Member". A parent requests junior membership for a child under 18 by writing a letter to the monthly meeting. At age 18, the child is eligible to become an adult member if she/he so chooses.*

ANALYSIS OF WEEKLY ATTENDANCE IN WORSHIP: this records the number of individuals (adult and junior members plus attenders plus visitors) who are in worship together on Sunday in person (in the meetingroom) and electronically (physically somewhere else). Take the number in worship each week, add them up and divide by 52 for the average in attendance over the preceding calendar year.

Total average in attendance:

In person: _____

Electronically: _____

*The number of **adult members** in Wilmington Yearly Meeting determines the number of representatives the Yearly Meeting has on the Friends United Meeting (FUM) Board, likewise for Friends Committee on National Legislation (FCNL). Adult membership also determines the number of delegates at gatherings of Friends World Committee for Consultation (FWCC). WYM membership numbers are included in the total number of Friends in the Section of the Americas, (FWCC) specifically in the United States and consequentially included in the number of Friends in the world.
