Enjoy a visit in the country where you will find something for everyone: Toys, games, kitchen items, household goods, linens, tools, yard equipment, furniture, computers, books and many other surprises.

Items are kept under the shelter house and displayed and dry. Shop anytime...the money jar is on the clerks table. Just leave a fair donation. Donations help redo the Church and help the needy within the community causes.

Anyone wanting to donate items can deliver to the church or call David Hackney to have items picked up. David Hackney - 937-728-6338
