

75TH ANNIVERSARY

MAY 24 - MAY 25

675 Sprague Road Wilmington, OH 45177

This Memorial Day weekend, we invite you to come home to Quaker Knoll as we celebrate a remarkable milestone — 75 years of faith, friendship, and summer memories. Join us Sunday, May 24th and Monday, May 25th for a two-day celebration honoring the people, stories, and traditions that have made this place so special for so many.

Sunday begins with worship at 11 AM, followed by a carry-in lunch and a wide-open afternoon to wander the grounds, reconnect with old friends, and soak in everything you've always loved about Quaker Knoll. As the sun goes down, gather around the campfire at 7:30 PM for music and open worship — a fitting close to a beautiful day. Stay the night in the cabins if you'd like to make the most of the weekend.

Monday morning picks right back up with breakfast at Clark Lodge, a special program featuring camp songs, a historical timeline, and heartfelt stories from the people who shaped this place across the decades. We'll honor our guests of the occasion, hear from beloved community members, and share a cookout lunch together — complete with a 75th anniversary cake. The afternoon is yours to enjoy camp activities just like the old days: crafts, disc golf, music, a walk down to the lake, and a chance to record your own Quaker Knoll story for generations to come.

Events are free with donations gratefully accepted —
A gift of \$7.50, \$75, or \$750 to celebrate 75 years!

RSVP requested for Monday meals and overnight stay.
